

DATABASE CONFIDENTIALITY AGREEMENT

I, _____, understand that I have been given access to portions of this Church's confidential database, to perform aspects of my volunteer role. Through having this information, I agree that I will not use these details for any other purpose than my role requires, nor will I share any personal details, purposefully or inadvertently (through casual conversation) to any third party, inside or outside of this Church without consent from my Church Staff Supervisor or the parties involved.

Should I fail to adhere to this agreement, I understand that the database access will be taken away from me, and that my voluntary role will conclude.
