NOTES TO THE FINANCIAL STATEMENTS

Churches of Christ in Western Australia Inc For the year ended 30 June 2021

1. Summary of Significant Accounting Policies

The financial report has been drawn up as a special purpose financial report for the purpose of fulfilling the requirements of Churches of Christ in Western Australia Inc. This report provides members with information about the Church as an economic entity which is useful for making and evaluating decisions about the allocation of scarce resources.

The financial report has been prepared on the accruals basis of accounting as defined in AASB 108, Accounting Policies, using the historical cost convention and going concern assumption. Except where stated, it does not take into account changing money values or current valuations of non-current assets. Except where stated, the accounting policies have been consistently applied.

The financial report has been prepared in accordance with the provisions of the Constitution.

The Council have determined that the Churches of Christ in Western Australia Inc is not a reporting entity as defined in the Statement of Accounting Concept 1 "Definition of the Reporting Entity" and therefore as a minimum apply the following accounting standards to the extent that they are relevant:

AASB 101, Presentation of Financial Statements

AASB 107, Statement of Cash Flows

AASB 108, Accounting Policies, Changes in Accounting Estimates and Errors

AASB 1048, Interpretation of Standards

AASB 1054, Australian Additional Disclosures.

(a) Income Tax

Churches of Christ in Western Australia Incis exempt from payment of income tax under the item 1.2 of section 50.5 of the Income Assessment Act 1997.

(b) Property, Plant and Equipment (PPE)

Freehold Land and Buildings are shown on the Balance Sheet at revalued cost. Property Improvements are carried at cost. The depreciable amount of all Plant and Equipment is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Plant and Equipment is measured at cost less, where applicable, accumulated depreciation and any impairment losses.

(c) Depreciation

The depreciable amount of property, plant and equipment (excluding freehold land) is depreciated on a straight-line basis. Depreciation commences from the time the asset is available for its intended use.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

(d) Employee Benefits

A liability for long service leave is recognised, and is measured as the present value of expected future payments to be made in respect of services provided by the employee up to the reporting date.

(e) Provisions

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(f) Cash on Hand

Cash on hand includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(g) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office(ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the balance sheet.

(h) Events after the Reporting Period

Due to the current situation of COVID-19 (Coronavirus), we cannot quantify the impact on the income at this point in time. There is a material uncertainty as to if there will be any effect on the entity and its operations.

INDEPENDENT AUDITOR'S REPORT

Churches of Christ in Western Australia Inc For the year ended 30 June 2021

To the Members of Churches of Christ in Western Australia Inc.

Report on the Financial Report

We have audited the financial report of Churches of Christ in Western Australia Inc which comprises the statement of financial position as at 2021, the profit and loss statement, statement of changes in equity and statement of cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the statement by Council.

In our opinion the financial report of Churches of Christ in Western Australia Inc has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-Profits Commission Act 2012*, including:

- a) giving a true and fair view of the registered entity's financial position as at 30 June 2021 and of its financial performance for the year then ended; and
- b) complying with Australian Accounting Standards to the extent described in Note 1, and Division 60 of the Australian Charities and Not-for-Profits Commission Regulation 2013.

Basis of Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the registered entity in accordance with the auditor independence requirements of the ACNC Act, and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the Association to meet the requirements of the Association's Constitution, Division 60 of the Australian Charities and Not-for-Profits Commission Act 2012 and WA Associations Incorporations Act 2015. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Emphasis of Matter - COVID-19 (Coronavirus)

We draw attention to Note 1(h) in the financial report, which describes the recent spread of the Covid-19 virus. This event has caused a massive dislocation in the economic circumstances in many economies throughout the world. There is uncertainty as to the effects this may have on the Entity and its operations. Our opinion is not modified in respect of this matter.

Responsibility of the Council for the Financial Report

The Council of the Association is responsible for the preparation of the financial report that gives a true and fair view in accordance with the Australian Accounting Standards and the ACNC Act and for such internal control as the council determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Council is responsible for assessing Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Association either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is

Page 11 of 12

a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists, Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonable of accounting estimates and related disclosures made by the Council.
- Conclude on the appropriateness of the Council's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate evidence regarding the financial information of the entities or business activities within the Group to express opinion on the financial report. We are responsible for the direction, supervision and performance of the audit. Were main solely responsible for our audit opinion.

We communicate with the Council regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
