

COCWA has engaged with Right Now Media and are excited to be able to bring 1000s of online resources to our churches here in WA!

### **Who are Right Now Media?**

RNM is an online library of Christian resources specific for churches. There is content to equip families, resources for small groups and developing leaders plus entertainment for the kids. Some short videos to explain how RNM works:

and [https://www.youtube.com/watch?v=n9\\_cvCdh\\_GI&feature=youtu.be](https://www.youtube.com/watch?v=n9_cvCdh_GI&feature=youtu.be)

We are offering this tool to our Churches of Christ family as we believe it will be of great benefit. Basically, RNM works in that a church creates an account to sign up. Once your church has an account, you can invite your congregation/members to that link where they will have access to the library. Each church has its own channel, where a nominated admin can recommend or highlight certain content if they wish. It's the Netflix of Christian video resources- for all ages and ministries! There's content for all 'walks of life'- small groups, marriage, youth, young adult, parenting, mental health, books of the bible studies, responding to crisis, men, women, children and so it goes on and on!

### **Here's the great news!**

If your church is keen, COCWA will pay for the first 6 months subscription! (Nov-Apr) After that time, the subscription of \$30/month will transfer over. If your church is not engaged, you can cancel at anytime. This is an incredible price!

### **Free Trial**

Have a free look and get a feel for the library before signing up. **This offer is valid until the end of October so get in quick!** <https://www.rightnowmedia.org/Account/Invite/AusTest>

As this is a test account, it will be limited to all the possibilities. When you fully subscribe, you will have full access to all the 'church' features.

\*\* Remember, the purpose of RNM is to equip churches. One account per church only and remember to invite your members so they can access the array of Christian videos.

### **Training**

Navigation of the website and App is provided to ensure you are getting the most out of the library. COCWA are in contact with a Perth Rep for RNM who can show you the ropes easily on a short Zoom call. You can contact Viv directly to arrange this session, [viv@rightnowmedia.org](mailto:viv@rightnowmedia.org) (mention you are COCWA affiliated.)

### **Where to from here**

- If you are interested, get exploring before the end of October. Let COCWA know if you have done so, so we can keep record.

- After the trial, if your church would like to continue using RNM, let COCWA know and we will pay for the first 6 months of subscription (Nov – Apr). After this time, the Church will take on the subscription. Please note that subscribing requires a nominated person to control the account and a credit card. The way in which COCWA will pay for the 6 months is for the church to invoice COCWA. Further details provided at time of sign up.
